*First and foremost, please bring a white gi. Ceremonies and medal presentations at this international tournament require participants to wear a white gi, as it upholds high standards. If you have a blue gi, please bring that as well.

*Advice is to keep the Gi, a change of clothes, and any medications and valuable items in the carry-on. It happens often that bags are delayed or missing, so this is important.

*If you need to purchase any equipment for the tournament, please let us know in advance so we can assist you with the preparations.
